A Message from the Premier

As Premier of the province of British Columbia, it is my pleasure to recognize M&M Meat Shops and their sponsorship of the inaugural National Family Dinner Night. Families and friends joining together to enjoy a meal and time in each other's company are always moments well spent.

It is my understanding that M&M Meat Shops will be making a donation to the Crohn's and Colitis Foundation of Canada (CCFC) for every person that registers for National Family Dinner Night as part of their 25th Anniversary celebrations. Recognizing the importance of meal times and donating funds to the CCFC are commendable initiatives.

On behalf of the people of British Columbia, I hope the fundraising goes well and that many families and friends enjoy the first National Family Dinner Night.

Sincerely,
